本週講道內容摘要

The work that our Church is called to do is to follow in Christ's footsteps; to be His presence here in the world. EQ Camp is a real manifestation of that work, turning strangers into family, welcoming all people into God's house to worship, witness, play, and praise. As continue to venture in these dark times, we remember that the Word of the Lord is a lamp to our feet that shines a path ahead of us with His Light so that we can follow. When we follow the path of the Lord, we are filled with joy, no matter how grim the world seems. Let us remember that the Light of God is for all of us and it shines on up, but also through us. May we continue to serve the Lord even in these times.
